

Little Brothers- Friends of the Elderly (LBFE) SF CHAPTER ATTESTATION FORM COVID-19 SAFETY PROTOCOL & PROCEDURES ATTESTATION

LBFE SF Chapter is committed to the safety of our participants and staff at all times, especially throughout the duration of the COVID-19 pandemic. These criteria, policies, and procedures are designed to ensure the safe and gradual reopening of in-person visits, in accordance with the guidance and policies set forth by the CDC and San Francisco Department of Public Health.

The participant must sign this attestation form indicating that he/she/they understand the policies and procedures and the risk of in-person visits. The attestation must be e-mailed to cmichalec@littlebrotherssf.org before any LBFE SF older adults or volunteers can meet in person.

Volunteers who opt out of being vaccinated cannot participate in in-person visits/gatherings, **only remote programs**. Older adults who opt out of vaccination will still be able to participate in all of LBFE programs. Volunteers will be made aware of vaccination status of said older adult.
